

# SWEET Conference 2023

Wednesday, 06 September — Eventforum Bern

The objectives of the second SWEET conference are to present updates of the first six SWEET consortia and the four SOUR projects, to introduce two new consortia, and to outline the next steps of the SWEET programme. The conference is targeted towards researchers (from current consortia and those interested in responding to future calls) as well as stakeholders from the private sector, professional associations, the federal government, cantons, communes, and cities.

**Language** — English

**Registration** — The number of participants is limited to 150. The registration is open until **30.06.2023** under the following [link](#)

**Directions** — From Bern central station, take the bus no. 101 to the 'Güterbahnhof' station. From there, turn right and cross the bridge. After the first building, turn left through the (green) gate onto the courtyard of the Eventforum Bern. The nearest car park is the 'Insel-Parking'.

## Programme
