

IEA Wind

Katja Maus

■ Aim:

- Overcome specific barriers for wind energy deployment
- Sharing the latest technology research
- Develop best practices

■ www.ieawind.org

| IEA Wind TCP Priority Areas and Strategic Objectives | | | | | |
|------------------------------------------------------|--------------------------------|--------------------------------------------------------|----------------------------------------------------|-------------------------------------|-------------------------------------------------------------|
| Priority Areas | Strategic Objectives | | | | Active Tasks |
| | Reduce cost of wind energy use | Increase flexibility of transmission and power systems | Increase social acceptance of wind energy projects | Increase exchange of best practices | Collaborative IEA Wind TCP efforts to address priority area |
